A UNIQUE AUTOMOTIVE HERITAGE FOR HIRE.

Heritage for Hire from the Jaguar Daimler Heritage Trust - a unique automotive collection of over 100 classic and specialist vehicles, now available to bring a touch of class or historic novelty to special occasions everywhere, whether they are weddings, static displays, film and television productions, press calls, product launches, rallies or trade stand appearances.

The Jaguar Daimler Heritage Trust is the custodian of a unique collection of Jaguars, Daimlers, Lanchesters and Swallows. These range from the oldest surviving Daimler built in 1897 to the latest Jaguar concept cars.

Now you can play your part in maintaining these classic marques when you hire from the Trust.

We provide delivery of the chosen vehicle, a driver for mobile demonstrations, a history of the vehicle and of course, collection from the hirer at the end of the event.

Contained within this Heritage for Hire leaflet you'll find details of the vehicles available, date of production, typical hire usage, costs and terms and conditions.

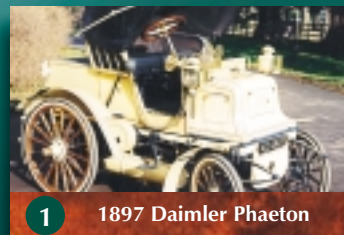

For further information about Heritage for Hire and other services offered by the Jaguar Daimler Heritage Trust, archives and artefacts, simply contact our Browns Lane Heritage Centre.

Tel: 024 7620 2870 or 3322 Fax: 024 7620 2777
email: tokeeffe@jaguar.com

And hire a marque of distinction to make your next event or production extra special.
